

# Email Production

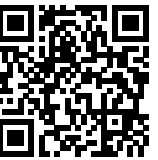

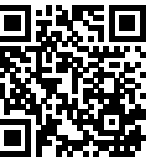

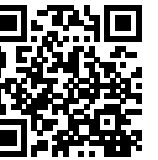

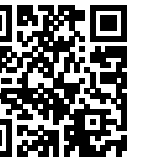

Location **Vermont**  
<https://www.genclassifieds.com/x-382486-z>

Freelance email production person. Will produce marketing campaigns from client-provided materials (art, copy, links), produce test emails for internal review, and distribute to existing list(s) on schedule.

This is a remote freelance gig, handling at least 2 campaigns/week. Requires proven experience in HTML/CSS and email management. MailChimp experience is a plus.

Please respond with description of relevant experience, site link, and hourly.
