I have a 4 year old pekinese weenie hound mix, neutered male. He's blond with black fur around his snout and eyes and on the tips of his ears. He has the long body, short legs and snout of a weenie hound but fur colors and curled tail with long fur like a pekinese. His name is Baxter, he is good with kids and needs lots of room to run. He's a bit picky with dog food. He's on Purina pro plan right now and seems to like it. We cant keep him because we are not allowed to have dogs. I have pics apon request. We are asking a 150.00 rehoming fee, can negotiate for the right family. He truly needs a forever home. He comes with what's left of his food, food dishes, collar, harness, leash and a clip on poo bag holder with poo bags. Oh and doggie crate yes he is crate trained. He's up to date on shots as well. For pics and further questions or info please call

Thank.
