Zed is a male, 2.5 year old neutered black lab/hound mix. He has the sweetest temperament and is very loving and smart. He does need a 6 foot fence in his next home as he can jump a shorter fence and go wondering. He gets along really well with other dogs and is a pretty laid back kind of guy. He does best in a dog run or possibly even free roam but gets quite nervous in a kennel/crate. He loves being with his people and cuddling while you relax. You can find out more about him and submit an application to adopt at www.bdar.org

Please let me know if you have any questions and please go to the website if you are looking to add a dog to your family we have a bunch of wonderful dogs looking for their forever.
