I do graphic artwork for bands for albums, web sites, flyers, stickers, etc. Basically whatever you need.

I'm flexible, quick, and easy to work with. I don't have a specific rate, it depends on the job. If you compare me to other graphic artists you'll quickly find out I'm not expensive.

Please have some idea of what you want in mind before contacting me. I don't mind helping with the creative process, but art can be fairly time consuming... I can't afford to sit around and come up with ideas all day for free.

The pictures here are all stuff I've done for my own bands. If you'd like to see more go to:
