

Computer Repair Service With Free Diagnostics (milwaukee)

Location

Wisconsin

<https://www.genclassifieds.com/x-382549-z>

I have 22 years experience fixing computers and charge less than anyone in Milwaukee so if your computer is running slow, has viruses or not working, whatever the issue may be, I can fix it for you. I also do on-site work if you can't come to me. I guarantee all of my work and have lots of references upon request.

My name is Jeremy and you can reach me anytime
