Imagine that you have a job using your Warehouse and Labor skills, where you're empowered to work on your own. But, you're also part of the team, with a voice in how to do things better. As a Laborer for our client, your strong safety orientation and skills are critical to the smooth flow of its daily operations.

- Must be physically fit, to stand, reach, bend, lift all day.
- Must have steady work capabilities, must be very accurate in placement of boxes onto conveyor (this is the first step to the warehouse inventory)
- Commitment and attendance are critical.
- Must be able to submit to a full national background check
- Must have reliable transportation to Oconomowoc.
- Must be able to work one of 4 set shifts available.

The position will last for about a year unless hired permanently.

Shifts are flexible and upon request. So if you are interested and have any questions, then please give me a call at ext. 277 to talk more about the job and schedule an interview. Or you can send me an email at and I will contact you shortly.

Salary: \$13.50
