<https://www.genclassifieds.com/x-382560-z>

Hey my name is Colin, Music is my main passion in life and I've been working at mastering the bass guitar for about 8-9 years now.

I'm 24 years old and a Utah native. I'd like to consider myself of sound mind and healthy lifestyle habits, but I love to get down and party too.

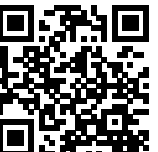

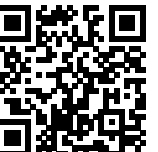

Looking for people who need a bassist, if you lost one or if your just forming a band and are in the beginning stages. I'm very adaptable, love to improvise and am capable of playing by ear and collaborating/ work well with others.

My major influences include punk, funk, hardcore, hip-hop, trip-hop, jazz and blues. A few of my favorite bands are At The Drive-In/Dead Kennedys/Radiohead/Thievery Corporation/The Doors/Sublime/TTNG/Blakfish/Blood Brothers/Brainiac/Minus the Bear/Flogging Molly/Smashing Pumpkins/Portugal, the Man etc etc

There are some recordings I've managed to put online from past projects, please feel free to listen to a quick reference or demonstration of some of the things I've been involved in or had fun with. You can find those here: <https://soundcloud.com/five-d>

Preferably looking for musicians in the Salt Lake Valley area and I'm open to meet with anyone across the board of types of music. I want to get back to working with a band and am very open minded to

if you have any ideas you can message me to offer
I am attached to my bass and I love it
I can't wait to meet you all
