

I need people to run with. LETS GO (Utah)

I am looking for people to run with. I love running and I'm training for a career in obstacle course racing, marathons, and more as my body becomes stronger and more capable of stepping it up.

If you're interested in being healthy, making some new friends, and seeing our beautiful state from a different perception, get ahold of me and we'll do this. I am willing to do small runs from 1-5 miles and longer runs from 6 on up. I have a goal of being able to carry 200 pounds 10 miles in under an hour by the end of 2015 so I'm very serious about my training but I want to have fun too. I look forward to talking with you. Thank you for your time.

Chris
