

Heading west out of Salt Lake Looking for a ride into CaliOregonWA (Salt Lake City)

Location Utah

Hello - I am a hitchiker from NC making my way further west. If you have any free space in your vehicle and would be willing to let me ride, please call or text. I am carrying a single Rucksack, am clean and dont do real drugs (420 friendly).

Can help drive or work along the way/work at our destination to help cover gas. I currently have \$0.00 and cannot help cover gas. I have my own food and water, I wont need anything from you aside from a ride.

Thanks!  
Safe Travels -
