My girlfriend and I are looking for a house or apartment to move into starting in May or later. We both have jobs and are UW students and have been living in Laramie for a few years. I am 24 and she is 21 and we've been together for two years. We are both responsible non-smoking adults focused on our academics. We don't party, and we certainly don't throw them. We have two well mannered and housebroken cats that don't claw at anything besides their toys and stay indoors. House/Apartment MUST have at least a 1 car garage, 2 or more car garage is a plus. Dishwasher is a plus. Washer/Dryer is a plus.

If you'd like to rent to us, please include pictures and any features or info of your place. Also it would be helpful if you included an address so that we can determine if we like the location and.
