Work 5 hours helping advertise each week and earn free tuition!

Lpl consulting offers a business and web development course taught by an awesome professor named john cheney

This class can help you start your own business or website from scratch with his help and then you learn how to manage it over the courses and your business will take off!!

He has a degree and has had several successful businesses and websites of his own

Im part of and strongly encourage taking part of his work study program to get free tuition!!otherwise payment plans are available

Mention lindsay for referral discount on tuition
