Hi,

My name is Anjana, I have done baby sitting for about 4 years, where I've taken care of kids aged from 2 month old to 11 yrs old.

I had finished my under-graduation in Social work at VCU and I live in Richmond. I do not Smoke or drink. I am very much comfortable on having pets at home. I have a very clean background. I assist the kids to read,play,feed and I'm highly interactive with children to create a dynamic creative learning environment. I can perform light housework and prepare meals. I'm very mature, dependable, and responsible person. I have a deep passion for children and I understand she/he (your child or children) is your precious jewel and it's my duty to treat them with love and keep them safe.I am also CPR/First Aid certified.I will be available to work full-time,part-time,overnights, weekends and even on short notices. I'd be happy to provide references as well and meet or chat on the phone. Looking forward to hearing from you! Thank you for your time to consider. Have a great day!
