Bosko is 12 weeks old and he is the sweetest dog ever! We have had him for 2 days and are having to rehome him because our daughter is allergic to him. He would have been the perfect dog for us but we just can't keep him. He does need to be groomed because his previous owners kept him in a barn. We took him to the vet today and got his shots up to date so you won't have to worry about that. We need to get what we put into him back, we are not looking to make a profit we just can't afford to be out that money. We also tried to contact the previous owner but now she will not answer our phone calls. We want Bosko to go to a good home. \$250 rehoming fee. He does great with other dogs. Text me at
