It's rare to find high-quality halters, breastcollars, and bridles these days. It's even tougher to find handmade, triple-stitched tack at a great price.

We offer such pieces at a great price. Now, for the first time, we are also offering deals to our favorite customers--just sign up for our shop newsletter! It takes a few clicks and you'll automatically receive notifications of sales and coupon codes just for subscribers.

All of our products are carefully crafted by expert tack makers, custom-finished in your choice of color, pattern, size, and hardware options to suit your English, Western, or trail horse. Our items are designed for all ages, breeds, and sizes and are made to order.
