GenClassification Missing Senior Red Alaskan Malamute (44th St amp Elliot)

Arizona Location https://www.genclassifieds.com/x-382706-z

My senior Alaskan Malamute went missing April 21, 2015 around 7pm. He is super friendly and will most likely go to anyone who calls him. Have you seen him?

He does have some hip problems and is starting to go blind, but his demeanor is still.
