I have a beautiful tan teacup chihuahua girl who is need of a forever loving home. She loves to cuddle and sleep with u & loves a lot of attention, enjoys outside playtime & nice walks around the block. She is fixed and had a lot of dental work done & has had all her shots I have all the paperwork on her. I have spent a great of money on her. She is great with kids as I have 7 & she is great with dogs & cats. The only good she likes to eat is the green bag of dog chow. Were going through a difficult time right now in our life and we need to part with her. This breaks my heart completely as I have had her since she is 8 weeks old. I am asking a rehoming fee of \$300 to ensure a great caring & loving home for her. I would prefer her go to a family with kids and a back yard she can play in. She is an inside dog only ! If interested in giving my baby girl a forever home please contact me. Thank!
