The environment I provide has opportunity for creative play with toys, art materials, play-dough, chalk, etc., as well as learning through various circle time activities and stories. It is a place to learn and play, but it also is within a home. So, it feels safe and inviting.

I have a valid Arizona Highly Qualified Teaching Certificate in both Elementary Education and Special Education, as well as as an Arizona Fingerprint Clearance Card.

I would love for you to come in and learn more! Daycare services will begin June 1st. Please message me if you are interested.

\*I allow no more than 4 children at a time.
