

Metal band needs bassist (Henry County)

Location **Georgia**
<https://www.genclassifieds.com/x-382748-z>

We recently lost our bass player so we're in need. We're looking for someone who can commit to a band and works well with others. We want/have written some brutal songs along the lines of Slipknot and Chimera, but also some lighter stuff like mainstream Killswitch Engage, Bullet for my Valentine, All That Remains, etc. Even an acoustic song or two for the album.

For the audition, we do a few covers and would have you learn 1 or 2 of them to play with the band.

Practices are every Saturday around 2pm in Hampton, GA (also where you'll audition). If chosen, we'd want you to be able to meet once a week in addition to full practice on Saturdays. We play in dropped C tuning and have a good number of original songs.

Requirements:

- be 21-29 (we're 23-24) exceptions can be made
- previous band/writing experience
- equipment for practice & performances
- reliable
