I have a dog I need to find a good loving home for . She is

- * microchip
- * playful
- * is fixed
- * has rabies shot
- * friendly
- * love able
- * gets along with kids and other dogs
- * she's med size (she won't get no bigger)

I want to find her a good home before saturday or I will have to take her to the pound . I have the paper work the pound gave me when I rescued her . I don't have the time to care for her like she desires and I really don't want to have to take her back to the pound cause it's kill shelter !!! So please if you would like her let me know . Text me
