

Need help moving (Palmer)

Location **Alaska**
<https://www.genclassifieds.com/x-382770-z>

I am looking for an able bodied person to help me move my household items from Palmer to Big Lake. The move should take 3-4 hours including travel time to Big Lake. I don't have much stuff. I already have one other person, a dolly and a trailer that will hold all of my items. The move will be just one trip. I will need you on Saturday, May 2.

Please contact me with a little information about yourself and how much you want to make for this.
