I come to Alaska (Kenai Peninsula) every summer for fishing and fun etc. I stay in Anchorage the day I arrive and the day I leave. This year I am looking for someone to drive me around my last day there before catching my flight out. I would like to visit some local art and gun shops or any other places of interest.

I am dropping my rental car off at 10:00am Sunday morning and am looking for someone to pick me up near Old Seward Hwy and East Tudor around that time and then drop me off at the airport at 7:00. Lunch and dinner will be on me plus \$100 for your time.

Me? 45 year old responsible male. Husband and father of 3. Interests in outdoors, hunting, firearms, fishing, kayaking, motorcycles, sight seeing etc. I am a Boy Scout Leader and all around good guy.

You? 25-65 years old, safe driver, drug and alcohol free, knowledgeable of the Anchorage area, honest, fair and know the good places in town to eat and check out.

If interested reply with your phone number and a time I can call you to discuss further.

PS. I am also looking to borrow a 12gauge shotgun from 7-12 to 7-24 for bear defense while camping on the Kenai. Will provide a free box of slugs for use of the gun and willing leave a copy of my drivers license and concealed weapons permit and pay a \$200 deposit until I return it. Yes it is legal to loan your gun to another person. www.atf.gov
