 About Us: Licensed and Insured for your Protection

Bella Vista~Bentonville~Fayetteville~Rogers~Springdale

We provide services to both residential and commercial clients as well as specialty window cleanups for contractors in the construction, remodeling, and restoration trades as well as homeowners who have completed remodels with windows to be cleaned.

It is very important to know that your provider has experience in doing post construction cleanup of windows as it is a different type of window cleaning process altogether . Lack of knowledge or proper tools for this type service can leave windows with damage during the cleanup process. Rest assured that we have completed many such cleanups with no issues

Arkansas is a licensed, Insured, and Carry Window Washing for the protection of our clients. This is of great importance to our clients as well as accidents and damage. Should a claim arise; Our policy safe agents is a res
 Regardless of who performs your window cleaning; make sure that they are established and accessible meaning they are easy to contact if needed after the service. General liability insurance does not necessarily cover all types of service including window cleaning UNLESS there is a rider attached to cover same. When seeking a provider; make sure to inquire and confirm coverage is sufficient. Failure to do so may result in damage cost being at home owners expense should damage occur. Workmans compensation coverage is also a consideration if there are a number of crew cleaning windows at your location. While it may not be required by law; it may relieve concern if potential liability accident occurs
