Location **California** https://www.genclassifieds.com/x-382838-z

Hello my name is John Ortega, I'm a "Highly Motivated" graphic Artist . I have 12 years of Digital Graphic knowledge . I'm a Adobe Creative Suite Master , I have worked for various online companies. Creating marketing structures for them such as "

- ~Standard Graphics and Logo Design
- ~Contribute to ongoing development of a brand's Visual Identity
- ~Create and revise Product Mock-ups
- ~Design and Create Logos in various formats
- ~Set-up files for print production
- ~Work on several projects at once within tight deadlines
- ~Keep an Organized project log and prioritize jobs
- ~Experience coordinating a wide variety of print projects from concept through production
- ~Proficiency with Adobe Creative Suite (Illustrator, Photoshop and After Effects in particular)
- ~Ability to deliver solid design in a tight deadline
- ~Eye for detail and consistency
- ~Self motivated with the ability to work independently
- ~Excellent Collaboration Skills
- ~Advertisement, brochures, Custom tailored templates
- ~Great Service and Customer Creative Skills
- ~ I have a keen eye for developing what a customer/ Employer envisions

animation, Text animation,3D animation, video editing, VFX, or any thing regarding Tv Film,Video or graphic's
