Spring is officially here! And with the holiday season gone, there are fewer communities with vacancies available. Never fret, here at Ashley Station Apartment Homes we are excited to offer amazing floor plans and great amenities! They range from a 1 bedroom/1 bath flat, 2 bedrooms /2.5 bath townhomes, all the way up to very spacious (1600 sq. ft) and newly renovated 3 bedroom/2.5 bath townhome!

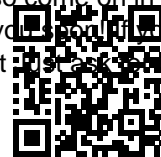

I have in mind a fantastic apartment for you to see! It has a wonderful balcony/patio that you can sit out on and enjoy your guilty pleasure (coffee and hot tea). Our apartment homes have plush wall to wall carpeting, beautiful and sleek dark brown faux wood luxury vinyl flooring, elegant wooden 2 inch blinds, spacious closets, sophisticated black and/or white appliances, a very modern business center with FREE, yes I said free, Wi-Fi, a cozy and personal gym with 24 hour access, sparkling pool, and lastly, but just as important, a professional (and fun!) staff to work with!

We're just minutes from your favorite restaurants, major universities, Fort Benning and Phenix City, grocery stores, movie theatres, and right across the street from the Medical Center, so you will have everything needed near you by moving into Ashley Station! We are physically located at 2321 Olive Street, Columbus, Georgia. With our interactive website at www.ashleystation.com you can conveniently complete your application online and plan how to arrange your furniture in your new apartment home by clicking on furniture planner on the bottom right.
