Enter Ultimate Graveyard, an affordable 350-acre apocalyptic landscape available for your next film, tv, photo shoot or music video production. This desert masterpiece features an auto graveyard, gutted plane shell, jacked-up furniture, rusted oil drums, and tumbleweeds as far as the eye can see. Picturesque railroad tracks sprawl across one edge of the property, and the 360° panoramic view showcases breathtaking horizons in all directions. Best of all, Ultimate Graveyard is completely hidden from public view, so you'll have total privacy during your shoot. Production Trailer Available to Rent
