Have you seen me? My name is Marbles and I recently got lost near 30th and Hill street by John Adams Middle school.

I have black ears and some black spots. I last had on a brown sweater.
 I'm limping because of a sore hip, I may trip too.
 My collar is probably lost, but I do have a microchip

Call Kat at if you've seen me or took me in from the scary streets. I'm ready to go !
