Greetings BUDDING INVENTOR,

If you...

- Have an idea for a new invention...
- Have solved a problem that nobody else has solved yet....
- Have a method for doing SOMETHING that is better and more efficient than what's out there....

YOU MAY BE ELIGIBLE FOR PATENT PROTECTION

and with patent protection comes the opportunity to monetize patent rights through LICENSE AGREEMENTS, ROYALTIES, and flat out golden parachute BUY OUTS.

BUT before you get carried away in a dream, it is absolutely essential that you learn the ABCs of U.S. Patent Protection.

That is what the INNOVATOR'S ACADEMY is structured and arranged to accomplish -- an affordable online solution created by an intellectual property attorney and a registered patent agent to explain to you

in layman's terms the following:

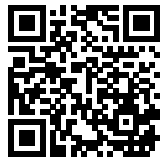

- How long does a patent last?
- How does it work? Is it a patent?
- How can a patent be monetized to earn the money?
- Is my idea patentable?
- How long does a patent last?
- What types of patent protection are there?
- Who issues a patent?
- How do I get international patent protection?

These are all essential questions you must know before you proceed toward patent protection because
