First shots dewormed and more. Fiesty little guy loves to play with everybody. Kids dogs you name it he likes it. Likes toys and lots of them. Would make a sweet companion dog for man or beast. Good personality. Teething. Needs them chew toys. Almost paper trained. Wants to be loved on all the time. Where are u my loved one. I am looking to be part of a fun and exciting family. I am cute and adorable and I'm looking for the same. Unfortunately I've ran up a 2hundrd bill with this nice folks and I'm looking to move on.
