## Hair stylist In home salon (Newark, de)

Location **Delaware** https://www.genclassifieds.com/x-383059-z

If you care more about Quality, then I'm your girl. I specialize in sew ins, quick weaves, natural hair and brows. I take my time to assure the best outcome (For styles that require time you must make sure you have the time when making an appointment with me) No rush Jobs! I do hair part time so when I can I do take same day appointments.
