

Wanted Real Estate Apprentice (Wholesaler) (Aurora)

Location **Colorado**
<https://www.genclassifieds.com/x-383148-z>

Experienced Real Estate Investment company is seeking 2 new applicants for a Real Estate Apprentice/Wholesaler position.

This is your opportunity to get paid to learn this business. It's is not a coaching program, daycare or mentoring.

Seriously, if you need babysitting or are highly "needy", this is NOT FOR YOU.

I'm seeking 2 additional highly motivated, PROFESSIONAL individuals to learn the business and help me expand into new markets.

The successful applicant will be trained and become responsible to find, negotiate and coordinate wholesale flips. The work schedule is flexible so you'll be able to work from home after you learn the business but, this position is not for everyone and there are a few requirements.

Call for an interview: 9am to 5pm, M-F,
