## 1996 Jeep Grand Cherokee (1500 USD)

Location **Delaware** https://www.genclassifieds.com/x-383211-z

It's time to sell my Jeep. I wanted to keep it but wife said "no". It started out life in Arizona and spent quite a few years there, so no rust with the exception of the surface corrosion on the roof. it's been in the family for 9 years.

I've replaced the following:

head gasket (3 years ago, holding fine)

multiple tuneups

radiator

alternator

crankshaft sensor

map sensor

throttle position sensor

cruise works as does 4wd. it's looking for a new owner. text or call, but if you call, leave a message as I don't answer unknown numbers. ask for chris. thanks for looking.
