Antique dark brown wood with beautiful and unique stenciling design on table and chairs. This table expands but we do not have a leaf - it would be easy to create a leaf if needed. Table is in good condition and is very stable - not wobbly despite missing one brace underneath the table. The chairs have the same stenciling on the back. One chair has a broken spoke. The spoke broke off from the end and I have it so it can be repaired without too much trouble. Will include 4 red cushions if you want them.

This is a unique table and with a little TLC, it can be a wonderful and functional conversation piece in any home.

Dimensions: L - 3'6", W - 2'6", H - 2'6"

Cash only. You must haul.
