Charlie Brown is a large, long haired brown cat with dark neck hair, a dark face and he is microchipped. He is very shy, 12 years old, declawed and is very scared. He is not familiar with Anchorage and is from the Mat-Su.

He will run from you so please just observe and note his location. Take a picture of him and put food out for him if you see him.

Although he was lost on Friday, Nov. 7 behind Walgreens at Lake Otis & Tudor WE ARE NOT GIVING UP.

If you have found and adopted him please let us know. We just want him to be in a safe warm place and cared for.

Please help us find him and call immediately if you think you may have seen him. 982-9555
