1 Sachet: Iaso Tea
 (Makes 1 Gallon)

This unique all-natural blend of 9 essential herbs is designed to cleanse the upper and lower intestines, ridding the body of toxins and some really nasty parasites. Just 8 ounces of this mild tea twice daily can provide you with dramatic results. Find out why some have even called this amazing drink "a miracle" tea.

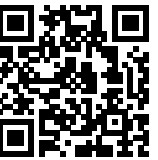

Iaso tea is a very good option for improving colon health, which beneficially affects the entire body, especially the health of your digestive system.

Many who have constipation, bloating, indigestion, liver, kidney, lung issues, acid reflux symptoms, candida and gastrointestinal distress often see improvement within the first few days.

Everyone gets parasites at some point in their life, which often goes unnoticed, as they can live anywhere in the body, including the blood. Worms multiply in the intestines and then spread to the lungs, brain and other organs affecting our overall health.

Iaso tea is a specific blend of herbs, initially used by most people as a successful colon cleanser. As the

colon and small intestines, are cleansed, the ability of the small intestine to absorb nutrients starts increasing. The small intestine are responsible for burdening the gall bladder with toxins, liver
