Hello!

I have two very loving adorable Sphynx Kittens named Lola and Billy for adoption. they are Small/med size Sphynx Kittens, black and white, Lola was given to me as a present from grand mom

I need a new home for the Sphynx Kittens because of the nature of my illness which is time consuming. They are very playful and love to be cuddled. They are Home trained as well.

The Sphynx Kittens get along with small dogs and other cats!

They should go to a calm home where he can get the attention he deserves.

One unique thing about Lola and Billy is that they come with left over cat litter, leftover food, and a nice covered cat box with scoopers.

There is a small adoption

fee of 150 dollars,

Please give this loving Sphynx Kittens a!
