I am needing to rehome my male Husky ...he's 10 months ago I've only owned for two weeks ...he's rough playing n full of energy does nip when playing especially with guys. Previous owners house trained him and he does sit and lay down on command. I recommend a home without small kids or small pets ...he needs plenty of exercise and attention to be broke of the nip playing ....not registered not neutered .....asking 75.00 rehoming fee ....I do have a large crate for him for 50.00 more ! Need gone!!!
