Hi there. we have a pup, 4 months old, black and white mixed breed. The vet thinks boxer mix. She has had first rounds of shots. We found her wondering entering a highway, and she wasn't microchipped. So we got her looked at and are now trying to find her a home. She is almost totally house trained, good with other animals. Loves to be with her humans, to cuddle, and play.

Please let me know if you would like to meet her. We cannot keep her as we are a full house as much as we would love to. Looking for a great forever.
