

# San RafaelBay Area

Location **California**  
<https://www.genclassifieds.com/x-383459-z>

Aloha !

I need to get to Nevada City/ Grass Valley area this friday, any time really.

I would love to help contribute to the gas fillups and awesome conversation/singing out the window!(unless you don't like that kinda stuff, then we could just sit there and stare forward and dwell on the significance of the naval.... \*boring...)

Just came to Cali from Maui and looking to meet good peoples.

Text is better than E-mail
