Hello

I am looking for a thin male dancer who can also act. This will be a narrative short film, meaning there will be no dialogue on set, but will be recorded in post and set to music. This will be a dark short film shot in the style of a music video, dancer must be comfortable being topless, wearing masks, plus showing their bare backside on screen. In addition, the dancer/actor will be required to show emotions of inner torment.

Shoot dates are May 2-3 and May 9-10

Please send headshots and link to dancing reel if you have
