

Excel professional (Manchester)

Location **Connecticut**
<https://www.genclassifieds.com/x-383658-z>

I'm looking for a part time person to build a spread sheet in Microsoft Excel for a project I'm working on, You must be very comfortable and able to work on Excel without taking a class or being taught on how to use it.

It is a project that will pay based on the completed worksheet.
