Lucy

Location **Louisiana** https://www.genclassifieds.com/x-383696-z

My cat had one kitten in July - And has been part of my home ever since. But now Mother and daughter are not getting along. Lucy is a very loving cat and i never had any trouble with her. She has never been outside. She does not have any of her shots. She would be a ideal pet for a loving family or a single person like.
