Looking to hire 1 or possibly 2 college students to assist a YOUNG disabled adult 4 nights a week and weekend mornings. Each shift takes an hour or so. You don't need any previous experience as you can be trained by myself or another of his assistants BUT you must be comfortable with "personal care" such as bathing,dressing,feeding. Each shift pays \$19 per time. He'll be very flexible with the shift times to work around your classes. If interested please drop an email with your name,number and a little bio bout yourself and you will be contacted for an interview. Postion needs to be filled ASAP.

This is a simular type job to childcare but on a more mature scale

Thanks
