I offer an economical, low-end car service in Western Connecticut. Maximum trip distance of 15 miles from point A to point B but there is some flexibility in that. My rate is \$1 per mile regardless of the number of passengers. There is room for 4 passengers with one passenger per seat, though I can take a maximum of 8 passengers double belted in with 2 people per seat. 8 people fit comfortably, but I will not allow anymore then 8 people at once for safety reasons. I will not allow passengers under the age of 18 unless accompanied by or having consent of their parent or legal.
