ISO a baby sitter from 4pm on Saturday afternoon until Sunday morning. I have a 5 year old daughter and the soon to be 4 year old son. Would prefer someone with years of childcare experience . Or if you own your own daycare and your certified than I will be more than willing to pay the prices. Otherwise I will be more than willing to negotiate prices with you. My kids are well behaved , they aren't picky and they are also super friendly kids. You can either email me or text me at (nine 5 four) 5 four 1 -7 six 0
