My darling Siberian Husky Luna gave birth to six of the most precious babies, originally they were supposed to go to my daughter but due to living circumstances she is unable to take all of them. My husband and I are really needing to give these away to a loving and caring home. They are all very full of energy and are extremely playful. None of them are full house broken yet, but we've started training them. We have five of these wonderful babies left! Please contact me  
 You are able to reach me at any time of the day or early night. Text messages are fine as well but I'd prefer you call. :-)
