What Some Owners Do With Their Senior Dogs (Everywhere)

Location Delaware https://www.genclassifieds.com/x-383753-z

Hoping they get lost or killed by a car!

They can't "fetch" anymore or go for long walks.

Just like humans they also get health issues such as arthritis, diabetes and cancer just to name a few.

They have problems with holding in their bodily functions.

So why not just let them go!

Shame Shame on you!
