This Is What Over Breeding Leads To (Everywhere)

Location Delaware https://www.genclassifieds.com/x-383756-z

There are responsible breeders and than there are your "Backyard Breeders."

And worse yet.....there are your irresponsible owners!

I'm moving. I don't have time. Kids have allergies. Blah Blah Blah!

And this is where these beautiful dogs end up at. If they are lucky they MIGHT get adopted into their forever family. And if they are not lucky.....well, you know what!
