Single mom looking for someone within New Castle to Middletown who's cpr certified n has references to watch my 3 kids ages 9 months, 3 &5. I'm not rich so if u want to charge a ridiculous amount I'm not interested. My kids are pretty well behaved but can obviously get annoying overtime lol I'm looking for someone who's trustworthy and has patience bc although I'm an easy going mom my kids are my life. Please message me with a daily rate or for the cost of the whole week.
