Hello. I am a photographer with a studio and I am looking for a photographer or two to share the space with. It is a one room studio, 11' x 11', located on the top floor of a Bed and Breakfast in Catonsville, MD. I have backgrounds (10' x 20', black, gray and white), lighting and triggers. Your monthly rent will be \$150 and you can shoot any time between 8am and 10pm.

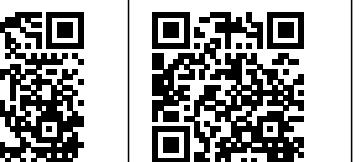

If you are interested, please send a link to your portfolio. Serious inquiries only please.
