I need major help and unfortunately the Fab Five are no longer doing the show but basically I need that, a wing woman that can help me with style, clothes, facial stuff, grooming, the right cologne, the right everything Im literally awful at this.

I am trying to obtain the affection of a certain lady and sadly I never really learned these skills as I was growing up.

Basically Im looking for a beautiful girl between 18 to 26, her age is in between, that gets hit on a lot and can help me determine what will be my best approach. Further details will be discussed with prospective ladies, but this isn't just a random 1 time thing for me I really would like to do this right and go long term if possible. If I fail then I don't know, I would feel awful but Id like to try atleast.

Im willing to cover your time and guru style information. Im negotiable since Im not really sure what this would entail. Basically looking for a female "Hitch".

If you can help me with this I'd really appreciate it, just send me your name, number and some photos of yourself please. Let me know a little about you and how you feel you can help me. Also if you have a rate idea that would be great as well, but not required. I can't imagine it would be a one day thing but I would prefer it if it were to happen under 2 weeks if possible, maybe stretch it to 3 if absolutely needed.

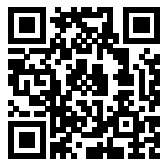

Im looking for serious help as well, please reply if you are genuinely interested and will submit the information I asked for as well as really help me. I won't reply to empty emails asking random questions and nothing more. Very serious about the offer, Im just not sure if Im posting it in the right place but here goes.

Thank.
